thank you so much for your reply sir, indeed, we are very humbled and grateful for all the contributions of everyone, and it is an honour to receive a reply from you

there is still a lot we dont know and a lot more things need to be made to work, but hopefully time shall show us all the way, and we will be forever humbled and grateful to learn more from your noble speech at the end of this month,

till then, as is humble tradition of small men like us:
